

Hi, I'm Christy Morgan one of the partners here at Mirus Partners. Mirus Partners is a real estate development firm. We develop affordable housing for families in need all over the country. We have 2500 units, located in six different states.

SVA is an integral part of our team, they help with financial analysis, getting our projects to completion. Once we've brought that project to completion, SVA continues in the process in helping us with audits and tax returns for the life of the project. Most of our projects wouldn't be possible without federal tax credits. SVA is keeping us abreast of the ever-changing rules and regulations that are associated with those tax credits. SVA has been a major contributor to the success of Mirus Partners.

I love SVA!
