Michael George, CPA

Manager

Michael is a Manager at SVA Certified Public Accountants.

He provides tax and business consulting services to clients across the real estate, small business, and professional services industries. He works closely with business owners and individuals to understand their unique needs and provide practical guidance that supports both their immediate priorities and long-term goals.

With experience in both tax and business consulting, Michael brings a broad perspective to client relationships. He helps clients navigate tax matters while considering the larger financial and operational factors that can impact their businesses. His approach focuses on understanding each client's circumstances, identifying opportunities, and providing clear, thoughtful guidance to help them make informed decisions.

Michael is committed to building strong client relationships and serving as a trusted resource as businesses evolve. By combining technical tax knowledge with a business-focused perspective, he helps clients address challenges, evaluate opportunities, and confidently plan for what comes next.
