Kyle Kmiec, CPA, CCIFP

Principal

Kyle is a Principal at SVA Certified Public Accountants with deep expertise in tax compliance and consulting, serving partnerships, S-corporations, corporations, and individuals.

Kyle is highly regarded for his ability to guide clients through complex financial matters, including succession planning and merger and acquisition consulting. Drawing on years of experience, he has developed a reputation for delivering tailored strategies that address both immediate tax challenges and long-term financial objectives. His technical proficiency, combined with a forward-looking perspective, allows him to anticipate challenges and craft innovative solutions that position clients for sustained success.

Much of Kyle's practice centers on working with business owners in the construction industry, where he provides specialized guidance to help companies navigate the unique financial and regulatory demands of the sector. He partners closely with owners to design tax-efficient strategies that not only minimize liabilities but also enhance cash flow and overall financial performance.

Kyle's approach is highly collaborative – he invests the time to understand each client's business, goals, and challenges, ensuring his advice is both practical and results-driven. By blending deep knowledge of tax law with a focus on wealth preservation and growth, he empowers clients to make confident financial decisions and build stronger, more resilient businesses.
