

Caitlin Mabe, CPA

Manager

Caitlin is a Manager at SVA Certified Public Accountants.

In her role on the Client Accounting Services team, she focuses on delivering high-quality financial reporting, optimizing accounting software systems, and managing efficient month-end close processes. Caitlin partners closely with clients to improve the accuracy, timeliness, and transparency of their financial information, helping them make more informed business decisions. She is experienced in identifying process improvements and implementing streamlined workflows that enhance overall operational efficiency.

She serves clients across a range of industries, including financial services, manufacturing, and healthcare, and understands the unique accounting and reporting challenges each sector faces. Caitlin is known for her collaborative approach and commitment to providing tailored solutions that align with each client's goals. Through her work, she helps organizations strengthen their financial infrastructure and maintain confidence in their reporting processes.

Caitlin is a member of the American Institute of Certified Public Accountants (AICPA).
