James Emmerich, CPA, CVA

Principal

James is a Principal with SVA Certified Public Accountants with expertise in the healthcare, dental, and veterinary industries.

James advises his clients on budgeting, cash flow management, and tax savings strategies. He is experienced in developing compensation models, buy-in and buy-out agreements, and benchmarking.

James also has extensive experience in individual, corporate, and partnership taxation. He provides long-term and short-term tax planning scenarios for his clients to help identify the most advantageous tax saving strategies moving forward.

James is a member of the Wisconsin Institute of Certified Public Accountants (WICPA) and the American Institute of Certified Public Accountants (AICPA).
