Eric P. Trost, CPA, MST *President and Principal*

Eric is the President of SVA Certified Public Accountants and one of SVA's tax experts. His vast experience and technical knowledge in tax compliance, research, and planning have given him the opportunity to work in a variety of tax areas and industries.

Eric assists corporations and partnerships with tax savings through his extensive knowledge of transaction structuring, tax credits and accounting methods. He works closely with businesses to plan their cash flow for tax liabilities through quarterly estimate planning.

Eric is a leader of real estate services within the firm, working extensively with landlords, property managers, brokers, fix and flippers, and hard money lenders. To maximize family wealth, Eric also focuses his attention on succession planning, including gift and multi-state tax issues.

Eric is a member of the Wisconsin Institute of Certified Public Accountants (WICPA).
