

## Kelly M. Blau, CPA Principal

Kelly is a Principal at SVA Certified Public Accountants.

Kelly has experience performing and supervising financial statement audits, reviews and compilations of primarily manufacturing, construction, professional service, and for-profit entities.

In addition, she works with clients to identify, improve and maintain effective internal controls as well as accounting procedures to help them manage and control their business more efficiently and economically.

Kelly's knowledge of auditing and financial accounting gives her a wide range of experience to assist her clients with their accounting and financial needs.

Kelly is a member of the Wisconsin Institute of Certified Public Accountants (WICPA), the American Institute of Certified Public Accountants (AICPA), and the Construction Industry CPAs/Consultants Association (CICPAC).
