Rhett M. Reuter, CPA, MT *Principal*

Rhett is a Principal with SVA Certified Public Accountants and works closely with businesses advising them on tax and accounting issues that may arise throughout the year. He provides guidance and support on a variety of issues including IRS and state audits, various tax credits, like-kind exchanges, and structuring and exiting deals.

He concentrates his practice on federal and state tax compliance, tax research, proactive tax planning, and tax saving strategies. His experience working with businesses in commercial and multi-family real estate and construction provides him the ability to consult with clients in a variety of areas.

Rhett's aim is to be a trusted advisor for all aspects of the client's needs. This includes tax structuring and preparation services for not only the business entity but also the individual owner(s).

Rhett is a member of the Wisconsin Institute of Certified Public Accountants (WICPA) and the American Institute of Certified Public Accountants (AICPA).
