

SVA® Certified Public Accountants Tax, Audit and Business Strategy

Tax:

- Prepare individual, partnership, S-Corp and C-Corp business tax returns
- Prepare tax return extensions
- Assist in the preparation of Form 1099 informational returns for clients
- Update and maintain fixed asset reports
- Analyze client financial statements and records to prepare book to tax income reconciliations
- Prepare adjusting journal entries

Audit and Assurance:

- Work with in-charges to complete assigned audits, reviews, and compilations
- Prepare simple financial statements
- Prepare analytic workpapers to identify trends
- Create property and equipment schedules and calculate depreciation and amortization
- Participate in and observe inventory counts
- Post journal entries and adjustments to working trial balance

Closely Held Business:

- Prepare accounting adjustments, bank reconciliations, and financial reports
- Gain experience in various accounting software
- Assist in preparation of complex Excel spreadsheets for use in valuations and data analytics
- Assist in the preparation of special accounting projects
- Update and maintain fixed asset reports

As an intern in the CPA firm, you will work with all levels of accounting professionals and receive hands-on experience working in one of our service lines: Tax, Audit and Assurance, or Closely Held Business.
